

KINGDOM PRAYER WORKSHOP

TEACH US TO PRAY

Saturday 8:30am - 4:30pm

Come and let God breathe life into your prayers and the prayer life of your church as He draws you deeper into His heart for you, your community, your city and the world.

No matter where you are in your prayer journey, this conference will **sharpen your prayer life and open your eyes to Jesus' heart for the city**. Through teaching, small group discussions, and plenty of guided prayer sessions, come to **have your vision expanded and gain practical prayer experience and tools** to begin or continue on in your prayer journey.

In this training you will:

- **pray through patterns** of prayer from Jesus, Paul, and the apostles in Acts
- adopt a **prayer grid** to support and sustain a daily habit of prayer
- exegete and **discern the heart** of your city through prayer
- consider how to bring **prayer systemically into the DNA** of your ministry and life

Come as you are, ready to meet with Jesus. Leave refreshed and equipped to take the next steps in a life of dialoguing with God and engaging the city through prayer. And the city (and you!) will be transformed because of God moving through your prayers.

LEADERSHIP TRAINING FOR TRAINERS

Sat. 8:30am - 4:30pm & Sun. 1:00 - 5:30pm

This workshop is designed for prayer leaders, pastors, planters, ministry leaders, and parents who want to disciple their team, church, or family in prayer. This training will equip you to lead others in prayer in any ministry context. It also prepares you to implement Prayer Current training.

Jesus calls us to come and follow Him – and to invite others along. He invites us to know Him more deeply in prayer, personally. Corporately, He calls us to be a house of prayer for all nations.

Spiritual advance in the city does not happen apart from prayer. Nor does a praying culture in your church happen on its own. How are you intentionally discipling your church in prayer for the city, beyond its own needs and survival?

Come to be empowered in your prayer leadership. We will look at the heart of a disciple who leads from the knees and how they shepherd others in kingdom prayer.

In this training you will:

- **assess** your own prayer leadership
- explore creative **ways to dynamically engage** others in prayer
- **practice leading** a prayer lesson and **receive peer feedback** on your facilitation

Led by Prayer Current's John Smed
and his team who have trained
churches in prayer for 15 years.

They are also passionate about teaching seekers how
to connect with Jesus through prayer. John's passion
for prayer and mission was born out of tough life and
church planting ministry lessons. He is frequently
invited to speak and train in prayer throughout
North America and internationally.

Word on the Street:

what others are saying about this training

*"I know of no one better able to train our church
in prayer than John Smed."*

~Tim Keller, Senior Pastor,
Redeemer Presbyterian Church, New York City

*"Prayer Current training is powerful, missional
and life changing. Want to connect your church
to prayer and God's mission to reach cities?
This training is uniquely designed to do this. I
recommend it for leaders on mission in cities!"*

~Mark Reynolds,
Vice President of Operations & Leadership Programs,
Redeemer City to City Network, New York

*"Kingdom-centered prayer is a battlefield.
John Smed and his team enter this arena with
humility, wisdom and confidence."*

~Allen Thompson, President,
International Church Planting Center

*"Prayer for the City training is the most
intensive, practical and gospel-centered training
for developing a life of prayer and a church of
prayer that I have ever seen."*

~ Tom Wood, President,
Church Multiplication Ministries, Atlanta

*"How foolish it is to think that we can minister
in our strength. Prayer Current training reminds
me of my utter dependence and need to come
back to the Father, back to gospel sanity and
abandon a life of independence from God and
others. I highly recommend this prayer training."*

~Bob Osborne, Executive Director,
World Harvest Mission, Philadelphia
