No matter where you are in your prayer journey, this training will **sharpen your prayer life and open your eyes to Jesus' heart for the city.** Through teaching, small group discussions, and plenty of guided prayer sessions, come to have your **vision expanded and gain practical prayer experience and tools** to begin or continue on in your prayer journey.

#### TRACK 2: Prayer Training PLUS Leadership Training for Trainers

If you are a prayer leader, pastor, planter, elder, or ministry leader, **a praying culture in your ministry will not happen on its own.** How are you intentionally discipling your church in prayer for the community, beyond its own needs and survival?

**Come to be empowered in your prayer leadership.** This training will equip you to disciple your team/church in prayer for long term growth.
