## Church Planter's Summit

## November 14-17

Each fall, C2C gathers church planting couples from across the nation at our **National Church Planter's Summit**. These days are designed to lift your eyes to the bigger picture of God's work from coast to coast; to encourage, equip, and inspire you to head home refreshed for another season of ministry. Jesus will be the honored guest, the mission of reaching Canada will be our focus, and getting to know planters from sea to sea will be our joy!

This year we will meet in beautiful BC. Vancouver's downtown peninsula is home to over 100,000 people and is one of the most densely populated chunks of real estate in North America. There are few thriving churches in this urban core, but God is at work! Several C2C plants are within walking distance of our hotel. Afternoon free time will give you a chance to walk the many miles of seawall, take in local restaurants and coffee houses, or just relax with friends.

Put the date in your calendar, talk with your spouse, register with the C2C office and begin to pray for a powerful time together at this year's **Church Planter's Summit!**
